Mississippi Department of Agriculture and Commerce
Regulatory Services – Meat Inspection Division

Inspector, Reg. Services, Trainee

The Meat Inspection Division provides regulatory coverage and inspection to all establishments engaged in the slaughtering of food animals and poultry, except for those plants operating under federal inspection. The division also inspects the further processing of meat, meat-food products, poultry, poultry food-products and their preparation for consumer items. These products are also inspected throughout formulation, packaging, labeling and distribution to retail outlets.

Requirements: Must attend and pass a 4 week out-of-state training class taught by USDA; must have valid Mississippi driver's license

Duties include:

- Inspection of poultry processing plant
- Evening shift
