Passport to Fun

The adventure begins here with Your Passport to Fun!

If you are looking for adventure, fun and entertainment, and have a desire to learn more about the history, customs and culture of Mississippi's working farms, your time will be well spent at any of the Hospitality State's many agritourism operations. To begin your journey across Mississippi, start here!

You will be welcomed to farms that encourage you to pick-your-own berries, tomatoes, sweet corn, pumpkins, pecans and more. Learn how honey is produced and mushrooms are grown. Take in the wonder of sunflowers as they track the sun. Tour a grape vineyard and learn how wine is made. Create a truly magical holiday season for your family and visit a Christmas Tree farm. You may even see Santa Claus along the way! Navigate a sea of red, white and pink to select the perfect poinsettia to complete your holiday décor. Our many agritourism farms welcome you to a way of life that lies at the heart and soul of Mississippi.

To participate in Your Passport to Fun, visit some or all of the participating Genuine MS Agritourism farms listed in this passport. At each participating venue, present this passport (you may use the same passport at each venue) or ask for one on site and have it "stamped."

Once you have finished exploring as many of these working farms as you like, mail your "stamped" passport to the address provided by September 15, 2020. By exploring five participating farms you will receive a fun keepsake. Visit ten participating farms and receive two keepsakes. If you visit at least 15 or all 20 of the participating agritourism farms you will receive a Genuine MS t-shirt and will automatically be entered to win a fabulous Genuine MS gift basket!
