Re: Poultry Exemption Application

Section 75-33-3 (4) states as follows:

"The provisions of this article shall not apply to poultry producers with respect to poultry of their own raising on their own farms on the same basis as now provided in the United States Wholesome Poultry Products Act and regulations thereunder, and such exemptions shall be consistent with said act and regulations. However, the adulteration and misbranding provisions of said act, other than the requirement of the inspection legend, shall apply to articles which are exempt from inspection by said act and regulations."
