MS Department of Agriculture and Commerce Accepting Applications for the Specialty Crop Block Grant

JACKSON, Miss. — Commissioner Cindy Hyde-Smith announced the Mississippi Department of Agriculture and Commerce (MDAC) is now accepting FY 2018 proposals for the Specialty Crop Block Grant Program.

The Specialty Crop Block Grant Program is funded by the United States Department of Agriculture (USDA) and authorized by the Farm, Food, and Jobs Bill (Farm Bill). The purpose of the program is to solely enhance the competitiveness of Mississippi's specialty crop industry. Specialty crops are defined as fruits and vegetables, tree nuts, dried fruits, and horticulture and nursery crops (including floriculture).

Projects funded through this program must address at least one of the following priority areas: research and development; promotion/marketing; or education/extension. Funding will not be awarded to projects that solely benefit a particular commercial product or provide a profit to a single organization, institution or individual. Applications must be submitted to MDAC by April 10, 2018. To obtain an application, visit the Alerts and Announcements section at www.mdac.ms.gov, call (601) 359-1196, or email susan@mdac.ms.gov.
