

# NEW COMPANY REGISTRATION

The Mississippi Commercial Feed Law of 1972 requires the registration of all feed manufacturing facilities or distributors and payment of a registration fee of \$100.00 for each facility by January 1 of each year.

- Complete form #1440A New Feed Company Registration and send \$100.00 per facility/distributor.
- Send one copy of each product label.
- Complete form #1444 New Product Registration Form for products less than 10 lbs. Tonnage fees on products sold in packages of 10 lbs or less will be \$25 annually for each product, payable when new facility is registered.
- Complete form #1446 Commercial Feed Tonnage Report. Tonnage fees on product sold in packages of greater than 10 lbs and bulk will be \$.25 per ton and must be paid in January of each year. This tonnage will be delinquent with a 10% penalty assessed after February 15.
- **Mail completed facility registration form with appropriate fees to the address below.**
