

NPS PLANTING PERMIT INSTRUCTIONS

Miss. Code of 1972 §69-25-10
Regulations 141.01-141.05

- 1.** Complete the following application and return to the Bureau of Plant Industry by mailing, faxing or emailing your completed application and accompanying materials to:
Bureau of Plant Industry
c/o Non-Native Planting Permit
P.O. Box 5207
Mississippi State, MS 39762
Fax: (662) 325-0397
Email: jamesd@mdac.ms.gov
- 2.** Please submit any data and/or documents with this application that have information supporting the species of plant that you are requesting a permit for.
- 3.** Await approval of application before securing a Surety Bond. (If the company already possesses a surety bond that will cover the biomass planting, proof of the current bond will be accepted.)
- 4.** Once reviewed, your application will be returned to you indicating its approval/disapproval. If approved, a compliance agreement and bond form will be included.
- 5.** Complete the compliance agreement and bond form and return to the Bureau of Plant Industry. Once received, your permit will be mailed to you.
