COMMISSIONER

State Fair Vendors,

It's time to register for the 162nd Mississippi State Fair. Please complete the application on our website, msstatefair.com and return by July 1, 2021. Read the rules and regulations carefully, as we have made revisions.

Last year we partnered with North American Midway to manage our midway vendors. After careful consideration, we have decided to bring the management back in-house. Managing a midway takes experience, and I am pleased to announce that I have hired Greg Wilcox to be our point person to take on this task. Greg has extensive management experience with Flowood Family Festival and other projects. If you have questions, please contact Greg at vendors@mdac.ms.gov.

This year's fair promises to be a big event. Based on our attendance from the Crawfish Festival this Spring, everyone is ready to get back to normal life. We are planning to add new attractions to our midway that will get families excited.

Thanks for being a great partner with us.

Sincerely,

Michael Lasseter
Director
