

**MISSISSIPPI
PESTICIDE REGISTRATION INSTRUCTIONS - REBATES**

Rebates apply only to products produced in Mississippi. If your product qualifies for the rebate (Regulations, Section 2), **complete Section II** of the Application for Registration.

1. The basic manufacturer must submit a \$200 registration fee for each brand.
2. A rebate of \$100 may be requested for those brands **produced in Mississippi.**
3. Rebates will not be issued until registration fees for all products have been received and the products registered.
4. Rebates will not be issued until the Bureau of Plant Industry receives an electronic copy of the current label.
5. Additional brand names are not eligible for rebates, since no registration fee is required for registering additional brands.
6. Complete the enclosed “Notarized Documentation for Rebate”.
7. You will not receive a rebate if you fail to complete and return the “Notarized Documentation for Rebate.

INCOMPLETE OR INCORRECT PESTICIDE REGISTRATION REQUESTS WILL BE RETURNED TO YOU.
